About Unstoppable

In 2012, the United Methodist Women (UMW) sent Denise, now high school junior, and Devan, now high school senior, to Limitless, a national women's event, at Duke

University in Durham, North Carolina. While in Durham, they learned about what UMW do to help people around the world. The UMW also provided them with new resources that would help them come back to Western PA to create their own event - Unstoppable.

In December of 2013, the Unstoppable Planning Committee had its first meeting to get this event in motion, with a mission to activate young women's faith in service to others.

Under the guidance of Diane, mentor, and Barb, UMW Conference President, the planning committee has expanded to include four other young women: Tamara, 15, Abby, 20, Jane, 22 and Bethany, 22.

Unstoppable will be a weekend of fun, worship and music, learning and service. Participants will take part in group activities, inspiring presentations about real issues they can do something about, and an afternoon of hands-on mission experience.

Speakers will include:

- Harriet Olsen, CEO of the UMW
- Grace Killian, mission intern with the General Board of Global Ministries
- Sharon Gregory, WPAUMC Lay Leader
- ...and many more!
